be the Comittee for that purpose — Sd Comtee Reported as follows
This being a time when by reason of Several Acts of Parlement not
only this Province but all the English Collonies on this contenent are
thrown into the utmost Confusion. and perplexety; the Stamp act. as
we apprehend will not only Lay an Unconstitutional. but an Unsup-
portable Tax upon us; and deprive us as we humbly conceive of our
Rights and priviledges that we are Intituled to. as being free born Sub-
jects of Great Brittan. by Vertue of the Royal Charter; and will also
Strip us of one of our most Valuable priviledges. for it admits of our being
tryed by a Court of Admiralty without the priviled of a Jury in Such
controversies as arises from Internal concerns ——
Wherefore we think it our Duty and Interest. at this Critical Con-
juncture of our publick affairs. and when in Danger of being deprived
of our Liberties and priviledges. most Valuable and precious unto us.
To direct you Sr. our Representative to be so far from countenanc-
ing or assisting in the Execution of the aforesd Stamp act. that you Use
your best Endeavors that Such measures may be taken and Remonstran-
ces made to the King and Parlement. as may obtain a Speedy Repeal
of the aforesaid act. and that you use your Utmost Endeavours to re-
move the heavy Burthen on Trade — and as the Province is greatly
Impoverished by Reason of the late war. and the Great decay of
Trade. we desire you to use your best Endeavours that the publick
Monies be used with the utmost Frugality. and that no money be
Drawn out of the Treasury. but what Shall be applied to Such Uses
only as Shall have a tendancey to promote the Interest of the
Inhabitants in General. —— As to any other matters tho of less
Importance, that may come before the Honble house of Representatives
we Doubt not Sr. but you will conduct your Self in Such a Manner
as Shall tend to promote the best Interest of the province in
General. and this Town in perticuler. Ephm. Spaulding
